2022 Annual Report Parks & Recreation Commission Ypsilanti, Michigan

INTRODUCTION

The Parks & Recreation Commission of the City of Ypsilanti is empowered by Chapter 78 of the Code of Ordinances to make recommendations concerning the recreation and parks needs of the city, including how park improvement funds are used; update the parks and recreation master plan; review and approve "Adopt-A-Park" applications; expand park and recreational opportunities through commission sponsored events when appropriate.

In 2021, the Parks & Recreation Commission's membership was as follows:

Evan Sweet (chair through August)	Julia Collins (resigned June)
Dillon Navarre (chair)	Brian Merlos (vice chair)
Ben Connor-Barrie (vice-chair)	Blake Harrity (appointed July)
Cathy Thoburn (secretary)	Lola Malmer
	Tarik Fermin

Per Chapter 78- 49(6), the Commission must provide an annual report to City Council.

OPERATIONS

The Commission held regular monthly meetings from March onward during 2022 in a hybrid format, with Commissioners present and public participation welcomed via Zoom. The Commission was regularly updated by the Friends of the Rutherford Pool, Parkridge Community Center, and the Friends of the Ypsilanti Senior Center, and also heard periodic updates on the status of the Peninsular Dam removal project. In the summer, the PRC heard from staff regarding a plan for better promoting the events in the parks and making information about the parks easier to access. Huron River Day, an event that the Commission traditionally supports, was held in the fall in partnership with the Huron River Watershed Council and funding from mParks and MDHHS.

The Commission reviewed proposals for work in the parks from several groups. This year, that included the potential naming of an open area at the north-east corner of Spring Street and the Huron River, placement of a memorial bench in Prospect Park honoring Grace Sweeney and Pete Murdock, and the naming of the baseball field in Waterworks Park in honor of William Anhut and his role in opening Little League to players of all genders. Volunteers performed multiple clean-up days throughout the parks system.

Included in this year's annual report is the implementation matrix from the 2020 Parks Master Plan.

LOOKING FORWARD

The Parks and Recreation Commission looks forward to future progress on the following projects and goals:

- Progress on the removal of the Peninsular Dam and the plans for the expanded Peninsular Park
- Capital budget review on parks improvements
- Progress with Prospect Park and Frog Island improvements
